Scholarships cover registration fees only. Travel expenses are not included. Scholarships are limited and will be reviewed in the order they are received.

Please submit your completed scholarship application to learningexchange@essentialaccess.org. The scholarship committee will review your application and will inform you of its decision within one week after your application is received. The registration page link and scholarship code will be emailed to you if your request is approved.

By submitting this application, you agree to attend if provided a scholarship or to notify Essential Access Health two weeks prior to the conference if you cannot attend. Scholarships are not transferable. Failure to attend or to notify us will forfeit your eligibility to apply for future scholarships.

If you have questions about this process, please call 213.386.5614, ext. 4580.
