

ESSENTIAL ACCESS HEALTH FUNDING ANNOUNCEMENT

Strengthening Organizational Capacity for Telehealth

Must be received by Friday, September 11, 2020

Essential Access Health invites its network of Title X health centers to apply for capacity building funding for telehealth services. This opportunity is available to support, expand, enhance and/or pilot telehealth services for sexual and reproductive health care.

Capacity building projects will be awarded up to \$30,000 for the project period of October 1, 2020 through March 31, 2021.

To be considered for this opportunity, please complete and return this application via email to Karen Peacock, Associate Vice President of Research + Evaluation, at kpeacock@essentialaccess.org by 5:00 PM on Friday, September 11, 2020. Selected projects will be notified on September 25th.

BACKGROUND

Essential Access Health is offering capacity building funding to California Title X health centers to support, expand, enhance and/or pilot telehealth services for sexual and reproductive health care.

Projects may include, but are not limited to:

- Implementation of new telehealth systems (e.g. Zoom Health, Doxy.me, healow, OTTO)
- Payment of on-going subscription costs
- Customization of EHR templates for remote visits
- Training of staff on new systems and procedures

Projects must include 10 hours of staff time to participate in Essential Access-led interviews and fact-finding activities around telehealth barriers and solutions.

Please answer all of the following questions:

1. Name of Agency:

2. Contact Person:

3. Contact Person's Email Address:

shaping the future
of sexual + reproductive health care™

4. Agency's Administrative Address:

5. County (where Admin is located):

6. Phone Number:

7. Fax Number:

On a separate page, please provide a brief description of the project for which you seek capacity building funding. Please describe how funding will be used to support, expand, enhance and/or pilot telehealth services for sexual and reproductive health care. Please limit your project description to no more than two pages.
