

MARCH 2 CONFERENCE AGENDA AT-A-GLANCE

9:00 - 9:15 AM WELCOME

9:15 - 9:55 AM MORNING PLENARY

Moderator: [Nomsa Khalfani, PhD](#)

10:00 – 11:30 AM CLINICAL UPDATES

Presenters: [Teresa DePineres, MD, MPH](#); [Ina Park, MD, MPH](#); [Jennefer Russo, MD, MPH](#); [George Sawaya, MD](#)
Moderator: [Erin Saleeby, MD, MPH](#)

Nationally recognized experts in the field will present clinical updates and best practices for delivering sexual and reproductive health care during these uncertain times. Clinical topics will include innovations in screening for sexually transmitted diseases, indications and management of early pregnancy loss, and the provision of medication abortion.

11:30 – 12:00 PM BREAK

Visit with Sponsors and Exhibitors to register for giveaways and drawings. Grab some lunch and come back for the lunchtime plenary.

12:00 – 1:00 PM LUNCH PLENARY

Presenter: [Jamila Perritt, MD, MPH](#)
Moderator: [Nomsa Khalfani, PhD](#)

This plenary will feature Dr. Perritt, President and CEO of Physicians for Reproductive Health. Dr. Perritt will discuss the critical importance of leveraging medical science and elevating provider voices to shift public narratives and reshape policies that advance reproductive health and justice.

1:00 – 1:45 PM POLICY UPDATES: A NEW CHAPTER FOR ACCESS

Presenters: [Fabiola Carrion, J.D.](#); [Nourbese Flint](#); [Lisa Matsubara, J.D.](#)
Moderator: [Amy Moy](#)

The results of the 2020 federal election will have a significant impact on sexual and reproductive health access nationwide. Panelists will share public policy updates and the changes needed at the state and federal levels to improve sexual and reproductive health outcomes and advance health equity moving forward.

1:45 - 2:00 PM BREAK

Visit Exhibitors and connect with Sponsors.

2:00 – 2:45 PM TELEHEALTH PANEL

Presenter: [Evelyn Kieltyka, MSN, MS, FNP](#)
Moderator: [Dr. Michael Policar, MD, MPH](#)

The COVID-19 pandemic has fast-tracked significant transformations in our health care delivery system, including a necessary shift toward providing time-sensitive and routine services through telehealth. Panelists will review the clinical and operational shifts needed to successfully deliver quality sexual and reproductive health care through telehealth over the long term.

3:00 – 3:45 PM THE FUTURE OF CONTRACEPTION

Presenter: [Alison Edelman, MD, MPH](#)
Moderator: [Kimberly D. Gregory, MD, MPH](#)

Dr. Alison Edelman will provide an overview of the future of contraception, including reasons why we need new approaches to contraception, recent pre-clinical and clinical developments in contraceptive technology and research.

4:00 PM CLOSING REMARKS
